### **SUGAR BOWL BAKERY**

Sugar Bowl Bakery, one of the largest family/minority owned bakeries operating in the United States, has now added Duet Bites to its line of high quality, affordable

desserts. This unique treat combines the chocolaty goodness of the company's Petite Brownie Bites with the rich, buttery flavor of its Madeleines — making every bite just right!

The Duet Bites currently come in several pack sizes including 32oz, 11oz and vending. This new bite-sized indulgence is perfect to serve at office parties, celebrations or just a great accompaniment with your morning cup of tea or coffee.

"The Duet Bites were a natural evolution for our product line — combining our customers favorite treats into one full-flavored dessert," said Andrew Ly, one of Sugar Bowl Bakery's owners. "Since the batter for the Duet Bites is half Petite Brownie Bite and half Madeleine, the end result is a distinctive marbled effect that allows consumers to enjoy the best of both worlds!"

Sugar Bowl Bakery's popular desserts include Petite Palmiers, Petite Brownie Bites, Madeleines and now Duet Bites.

A centuries-old French recipe with over three hundred layers of dough and 100 percent butter, make each bite of Sugar Bowl Bakery's signature Petite Palmiers irresistibly flaky. It's an enticing and unique cookie that's even better with ice cream, whip cream, or just a touch of honey!

In the mood for chocolate? Gobble up one of Sugar Bowl Bakery's Petite Brownie Bites, little bite sized pieces of chocolate heaven, right out of the box or warmed up.

Craving something sweet but not too sweet? Sugar Bowl Bakery's Madeleines are baked to be firm yet delicately crunchy, our petite French cake cookies are the answer. Serve these at your next dinner party or just indulge in them by yourself with a hot cup of tea or coffee.

Starting with the finest ingredients and a passion for baking, Sugar Bowl Bakery has grown from just one bakery, a San Francisco favorite, to a leading national brand.

It all began in 1984 when five ambitious immigrant brothers pooled their savings together to open the first Sugar Bowl Bakery, a small neighborhood coffee shop in San Francisco. Customers would often tell the brothers that their pastries were so good that they should consider expanding their distribution. The brothers listened and a dream for delivering quality desserts to all Americans was born.

Sugar Bowl Bakery has since become a leader in developing quality baked goods and is now one of the largest bakeries that is family/minority owned and operated in Northern California. The award-winning

bakery offers a complete line of high-quality baked goods delivered to various food service institutions, supermarket chains and warehouse clubs.

Today, Sugar Bowl Bakery's mission is to produce and market the highest quality baked goods and continue to develop a brand name that inspires trust and quality. They do this by hiring the best people, providing quality customer care and service and giving back to the local community.

Sugar Bowl Bakery products are currently being distributed nationally as well as internationally. Sugar Bowl Bakery's products can be found at select retailers – such as Costco Wholesale, Whole Foods, Safeway, Kroger, and Cost Plus.
